

Evyatar Mor

Product Designer · evyatarmor.com

Pixel perfect product designer for ~4 years in the global tech industry, keen on discovering something new every day.

EXPERIENCE

Product Designer

Mar 2020 - Present

GlassesUSA.com

Tel Aviv, Israel

Working with Product Managers on key product features, at a large startup with 200+ employees, and over 5 million monthly users. As part of my job I built and maintained a Design System, redesigned main product pages and led A/B testing design implementations.

Visual & Product Designer

Jan 2017 - Mar 2020

Freelancer

Jerusalem Area, Israel

Working with dozens of clients - from small business owners and startups, to large companies. Designing for various products and platforms such as Web, iOS and Android.

SKILLS

- Mobile & web UI
- UX research
- Front-end development
- Micro-interactions
- Usability testing
- Design system management
